

A Night in the Life Crossword Puzzle

Use the clues to fill in the words above.

Words can go across or down.

Letters are shared when the words intersect.

The answer key will be provided on the Hayes website by the videos for the week!

ACROSS

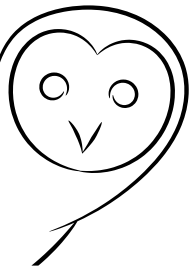

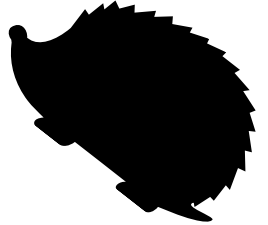

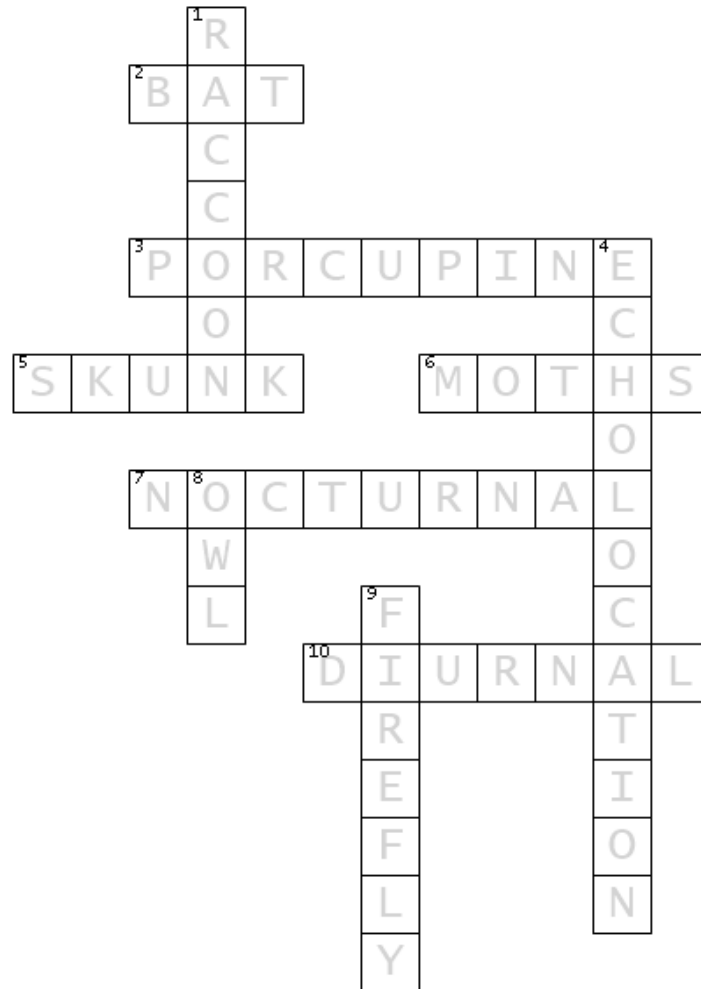

3. I have 5,000 to 7,000 quills
4. I have big eyes and I can turn my head a maximum of 270 degrees each way
5. I often hang upside down, and I am the only flying mammal
6. Active during the day and sleep at night
8. Active at night and sleep during day
9. We are attracted to light and sometimes get mistaken for butterflies
10. When I feel threatened I might spray my enemies with a stinky chemical

DOWN

1. I am a beetle that flies at night and my bottom end lights up when it is mating time
2. Animals such as bats use me at night by making noises and listening for the sound to bounce off objects so they know what is near by.
7. I look like I'm wearing a mask and I rummage through garbage for food
